9:30AM

Dear Shipley's Choice families,

Wow, this year is going by so quickly! It seems like only yesterday that this school year began, and we are already in December!

Last month, our schoolwide focus was Just be...grateful. Morning meetings as well as some lessons in classrooms focused on what students were grateful for and the importance of gratefulness. In December, we are expanding on that idea to focus on Just be...generous. It is one thing to be grateful for what you have, but being generous encourages giving to others. Giving does not just have to be material things. We can be generous with our time or generous with kind words.

One way we are supporting the idea of Just be...generous is through having a book drive to provide containers of books for families that the PTA is supporting for the holidays. Each grade level has adopted several children and is preparing a basket of age-appropriate books for him or her. Students may bring in a personal favorite to add to the collection. These containers will be delivered to Quarterfield Elementary School along with the presents donated by our generous community. This is a great way for our children to be connected to others on a personal level and to learn the joy one can get from giving generously. For more information, see the PTA website: <https://shipleyschoicepta.membershiptoolkit.com/home>

What do you want to JUST BE next?

Dr. Beth Anne Burke

Principal
baburke@aacps.org

Safety & Security

All adults in the building must wear a badge. Visitors may only enter through the main doors and must check in at the office. Please note that only parents of students enrolled in the Y Day-care may enter through the side door. Thank you for your help in this.

Parents who are at the school for evening activities or for the Y Daycare may not go to classrooms or elsewhere in the building.

The Anne Arundel County Public School System does not discriminate on the basis of race, sex, age, national origin, religion, disability, or socioeconomic status in matters affecting employment or in providing access to programs. ARRIVAL AND DISMISSAL

Students may begin arriving at 9:00AM. Please do not drop off students or allow them to walk to arrive before 9:00AM. Students may not be left unsupervised, and our supervision begins at 9:00.

Remember that the car loop is for **Quick Drops** in the morning, and that children should be encouraged to get out of the vehicle quickly. Pull all the way up as far as you can in the loop so we can unload more cars at once. This makes the **Quick Drop** loop move more quickly.

With the warmer weather, more students are walking or biking to school. Drivers are not always attentive as they drive through the school lot. That is why we have identified locations that are safe for drop off or for crossing the driveway. **For safety, do not drop your child off at the upper parking lot.**

Drivers need some patience on inclement weather days when the line is longer. The car loop will remain open longer on inclement weather days when the line is longer. **No student will be marked late** or absent in the car loop on inclement weather days as long as there are staff members in the loop or at the side door to admit students.

Changing dismissal procedures frequently can be confusing for children (and for adults!). While unforeseen circumstances may require changes, please try to keep dismissal routines consistent. If you need to pick up your child who typically goes to Kids Club, please plan to pick him/her up at Kids Club rather than changing dismissal arrangements. **If your child does not have a note, we cannot change his/her dismissal procedure.**

BUS LOOP

Cars are NOT permitted in the bus loop while there are buses in the loop!!

Car Loop Arrival: The car loop seems to be going very smoothly in the morning! (Except for the really rainy days!) Thank you for your help keeping the loop moving. As a reminder, please do not get out of your car in the car loop. If your child needs assistance getting out of a car seat, park in the parking lot and walk him/her across the crosswalk.

Car Loop Dismissal: The Car Loop Dismissal Tags were based on a suggestion from a mom at a Coffee with the Principal last year. The purpose of the tag is to allow teachers to identify cars quickly so we can tell students to move to their car. It is working—the car loop moves rapidly, and we are done about the same time as last year despite dismissing car riders a few minutes later. Thank you to the families for your help with this!

If you would like more Car Loop signs, they are available for purchase at school for \$5.00.

DISMISSAL

With the number of students attending clubs and daycare after school, we wanted to take steps to ensure that all students are going where they are supposed to at the end of the day. To help with this, we have changed the order in which we dismiss students. YMCA Aftercare, Bus Riders, Van (Daycare) Riders, and students going to clubs are dismissed first so that we can make sure that they do not accidentally walk home. Walkers are dismissed next, and car riders are dismissed last.

If you are walking to school or parking at school to meet your child, please meet him/her at the back door by the blacktop.

ONLINE PAYMENTS

ShIPLEY'S Choice is now offering the option to pay for classroom supplies, field trips and lost media books online using a credit or debit card. (Visa or Mastercard only).

TAKING PICTURES AT SCHOOL

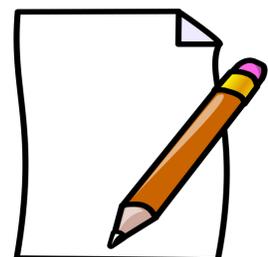

[From the AACPS Volunteer Handbook]

Under the Family Educational Rights and Privacy Act (FERPA), parents have the right to prevent photographs of their children from being taken in instructional settings. Given that volunteers have no knowledge of which parents have allowed their children to be photographed and which have not, volunteers should not take or post online any photographs or movies of students in any instructional setting during the instructional day. This includes recess, lunch, and events such as Halloween parades.

Please do not take pictures at school during lunch or at other times. A number of families have not consented to have their children's photographs taken at school except for inclusion in the **school year-book only**. This means that parents should not be taking pictures when they visit school unless it is a pre-arranged yearbook photography session. If you are taking photographs for the yearbook, notify the school office in advance (24 hours) please.

REPORTING ABSENCES

To help parents reporting absences, we have posted an [attendance form](#) on the school website shipleyschoicesschool.org. You may print the form and send it in to the teacher.

LUNCH & RECESS

This year we have made a few changes to lunch and recess. Lunch times are staggered so that each grade begins about every 15 minutes. This cuts down on lines for school lunches and snacks. We have also followed AACPS and experts' recommendations to move recess before lunch. Teachers have observed that this is allowing students to settle down and eat more quickly as well as to settle into instruction more quickly after returning from lunch.

For recess, we continue to use games and strategies shared by Dr. Recess last year. Dr. Recess was such a big hit that he was invited back for an assembly the first week of October.

SNACKS

Yogurt, cookies, chips and ice cream are sold as snacks/desserts in the cafeteria to students in grades 1-5. As in previous years, snacks may not be offered every day. This depends upon how long it takes students to get through the lunch line and/or eat their lunch. To help speed up the lunch process, encourage your child to memorize his/her Student Information Form (also known as SIF or Student ID number). If 20 students are in line to get lunch (and later for snacks) and most do not have their SIFs memorized, it can take 10-12 minutes for all students to clear the line.

CLUBS

If you are picking students up from an after-school club, please wait outside for dismissal. Parent Volunteers may not open the doors to let you in.

HOMEWORK

Dr. Burke and teachers have continued to receive an assortment of parent feedback on homework. As you can imagine, people are passionately sharing their opinions on all sides of this issue. There is not a clear-cut majority in any camp. According to the parent survey open to all parents during October 2018, a full 86% of the 216 parents that participated prefer more flexible homework options to having homework structured nightly or several nights per week. The current homework assignments are calendars or packets that include a mix of academic and other options in addition to regular reading. In elementary grades, homework is graded as part of "expected student behaviors" and not part of any subject's grades.

To assist parents who wish to provide more practice for their students, teachers in intermediate grades have developed several tools. First, most grades have developed grade level Google Sites—webpages with a variety of helpful information. These sites are a work in progress and they are constantly being updated. Visit ShipleysChoiceSchool.org to access your grade level's site. Information includes what is being taught in class, links to helpful websites, including First In Math, and even some video clips for reteaching lessons. Some intermediate teachers also are offering packets of extra practice for students.

Remember, the reason that teachers felt strongly about minimizing homework was because we see students working very hard all day on tasks that are mentally exhausting. By parents own reporting, fully 35% of our parents reported that their children were stressed or worried about their performance in school. This was one source of stress that we could eliminate or reduce for our students.

SHINING SHARKS!!

Shining Sharks are students who have done an outstanding job demonstrating the Shark Code. Each month, we will select students from every grade who are Shining Sharks. Shining Sharks will celebrate by having lunch with Dr. Burke! Check out our Twitter feed @ShipChoiceAACPS to see who are the newest Shining Sharks!

I am a Shipley's Shark!
Today I will...

- S** • Shine – be a role model!
- H** • Keep hands and feet to myself!
- A** • Always do my best!
- R** • Respect myself, others, and learning!
- K** • Use kind words and actions always!

We are ALL Shipley Sharks!

It is NOT monitored constantly, but it is monitored during emergency situations. During certain events, when the safety or security of students may be in question, authorized personnel from local, state, or federal police or fire emergency units may be given access to view images projected on the camera system. HOLIDAY SHOP 2018

The Annual Penguin Patch Holiday Shop will be held on December 7 from 3:45 – 7:30 p.m. in the school gymnasium. The Holiday Shop provides an opportunity for students to participate in the spirit of giving as they shop for their families (mom, dad, grandparents, aunts, uncles, cousins, etc.). Volunteer elves will be available to help students navigate the shop and manage their budgets.

In an effort to minimize parent wait times during student shopping, we will offer 20 minute shopping sessions from 3:45 pm until 5:45 pm. A total of 30 students will be able to shop during each session. Shopping session sign-ups are available on the SCES PTA (Select MENU and scroll down to My Forms/ Paperwork under MY ACCOUNT section). The Holiday Shop will be "open shopping" to students from 5:45 pm until 7:30 pm.

Items will be priced between \$0.25 - \$12.00, with most items averaging between \$2.00 - \$5.00. Money envelopes (with gift lists to help your child plan and budget for each person) will be distributed to each student prior to the Holiday Shop event. Parents are encouraged to send their children with cash or check (made out to SCES PTA) and a reusable shopping bag.

Volunteer elf positions will include shop set-up/decorating, helping students with budget management, cashiers, and break-down. It takes a village of elves to make this holiday spirit event a success. Please consider volunteering via the SCES PTA website (Select MENU and scroll down to My Forms/ Paperwork under MY ACCOUNT section) .

BYOBag: In a continued effort to live up to our Model Green School status, we are asking students to BRING THEIR OWN BAG to reduce single use plastic bags in circulation. All students that bring their own bag will be entered into a raffle for fun prizes during each shopping session. We will also collect clean, unused plastic bags to be recycled properly (collection bins are located at almost every grocery store).

Vendor tables (local/neighborhood businesses) will be set-up in the lobby for parents to visit while they wait for their shoppers. Proceeds from table rentals will be donated to the Fifth Grade Service Project in support of the Juvenile Diabetes Foundation. As in previous years, any additional funds raised by the Holiday Shop will be donated to Helping Hands.

HELPING HANDS COMMITTEE

Adopt A Family

The Helping Hands Committee is very excited this year to provide an amazing holiday for 10 families at Quarterfield Elementary School. The participating families are financially unable to provide holiday gifts for their children and are grateful to our school community for its support. We are hopeful that you will include your child(ren) in the process of choosing and purchasing gifts so that they too can experience the gift of giving.

The attached link includes both "needed" items and "wish list" items from each of the ten families. If several people want to chip in to purchase a larger item or purchase a gift card, please feel free to do so.

All gifts will be delivered to Quarterfield on December 19. We have reserved the clubhouse for December 18 in the evening to have a wrapping party. Girl Scouts from 2nd through 5th grades will be helping with the wrapping. Gifts can be brought to the clubhouse that evening or dropped off prior to that evening at either Bree Gramil's or Jaime Hanafourde's house. Thanks in advance! Any questions please feel free to contact Bree (443-226-2923) or Jaime (410-703-9230).
