Dear Shipley's Choice families,

Please see ShipleysChoiceSchool.org for results of the Homework Survey as well as a description of what each grade level's homework protocols will be this year.

We are continuing our schoolwide focus on **Just be...** This schoolwide theme connects to our School Improvement Plan and is designed to encourage November is a great time to.. **Just be...grateful!** Grateful is different than thankful. The dictionary defines "thankful" as "pleased and relieved." "Grateful" is defined as "showing an appreciation of kindness." The key word in this definition is "showing." Grateful goes beyond simply having a feeling inside and takes it to the next step of taking some action based on that feeling. Thankful is a feeling, and grateful is an action. Teaching students to just be grateful is the natural next step in our journey to **just be.**

How can we encourage students to **Just be grateful?**

- *Say please and thank you
- *Start a gratitude jar
- *Share your gratitude each day. Make it a ritual
- *Look for the positive

What do you want to **JUST BE** next?

Dr. Beth Anne Burke

Principal

Safety & Security

All adults in the building must wear a badge. Visitors may only enter through the main doors and must check in at the office. Please note that only parents of students enrolled in the Y Day-care may enter through the side door. Thank you for your help in this.

Parents who are at the school for evening activities or for the Y Daycare may not go to classrooms or elsewhere in the building.

ARRIVAL AND DISMISSAL

Students may begin arriving at 9:00AM. Please do not drop off students or allow them to walk to arrive before 9:00AM. Students may not be left unsupervised, and our supervision begins at 9:00.

Remember that the car loop is for **Quick Drops** in the morning, and that children should be encouraged to get out of the vehicle quickly. Pull all the way up as far as you can in the loop so we can unload more cars at once. This makes the **Quick Drop** loop move more quickly.

With the warmer weather, more students are walking or biking to school. Drivers are not always attentive as they drive through the school lot. That is why we have identified locations that are safe for drop off or for crossing the driveway. **For safety, do not drop your child off at the upper parking lot.**

Drivers need some patience on inclement weather days when the line is longer. The car loop will remain open longer on inclement weather days when the line is longer. **No student will be marked late** or absent in the car loop on inclement weather days as long as there are staff members in the loop or at the side door to admit students.

Changing dismissal procedures frequently can be confusing for children (and for adults!). While unforeseen circumstances may require changes, please try to keep dismissal routines consistent. If you need to pick up your child who typically goes to Kids Club, please plan to pick him/her up at Kids Club rather than changing dismissal arrangements. **If your child does not have a note, we cannot change his/her dismissal procedure.**

BUS LOOP

Cars are NOT permitted in the bus loop while there are buses in the loop!!

Car Loop Arrival: The car loop seems to be going very smoothly in the morning! (Except for the really rainy days!) Thank you for your help keeping the loop moving. As a reminder, please do not get out of your car in the car loop. If your child needs assistance getting out of a car seat, park in the parking lot and walk him/her across the crosswalk.

Car Loop Dismissal: The Car Loop Dismissal Tags were based on a suggestion from a mom at a Coffee with the Principal last year. The purpose of the tag is to allow teachers to identify cars quickly so we can tell students to move to their car. It is working—the car loop moves rapidly, and we are done about the same time as last year despite dismissing car riders a few minutes later. Thank you to the families for your help with this!

If you would like more Car Loop signs, they are available for purchase at school for \$5.00.

DISMISSAL

With the number of students attending clubs and daycare after school, we wanted to take steps to ensure that all students are going where they are supposed to at the end of the day. To help with this, we have changed the order in which we dismiss students. YMCA Aftercare, Bus Riders, Van (Daycare) Riders, and students going to clubs are dismissed first so that we can make sure that they do not accidentally walk home. Walkers are dismissed next, and car riders are dismissed last.

If you are walking to school or parking at school to meet your child, please meet him/her at the back door by the blacktop.

TAKING PICTURES AT SCHOOL

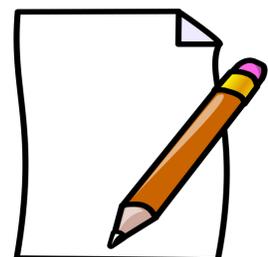

[From the AACPS Volunteer Handbook]

Under the Family Educational Rights and Privacy Act (FERPA), parents have the right to prevent photographs of their children from being taken in instructional settings. Given that volunteers have no knowledge of which parents have allowed their children to be photographed and which have not, volunteers should not take or post online any photographs or movies of students in any instructional setting during the instructional day. This includes recess, lunch, and events such as Halloween parades.

Please do not take pictures at school during lunch or at other times. A number of families have not consented to have their children's photographs taken at school except for inclusion in the **school year-book only**. This means that parents should not be taking pictures when they visit school unless it is a pre-arranged yearbook photography session. If you are taking photographs for the yearbook, notify the school office in advance (24 hours) please.

REPORTING ABSENCES

To help parents reporting absences, we have posted an [attendance form](#) on the school website shipleyschoicesschool.org. You may print the form and send it in to the teacher.

LUNCH & RECESS

This year we have made a few changes to lunch and recess. Lunch times are staggered so that each grade begins about every 15 minutes. This cuts down on lines for school lunches and snacks. We have also followed AACPS and experts' recommendations to move recess before lunch. Teachers have observed that this is allowing students to settle down and eat more quickly as well as to settle into instruction more quickly after returning from lunch.

For recess, we continue to use games and strategies shared by Dr. Recess last year. Dr. Recess was such a big hit that he was invited back for an assembly the first week of October.

SNACKS

Yogurt, cookies, chips and ice cream are sold as snacks/desserts in the cafeteria to students in grades 1-5. As in previous years, snacks may not be offered every day. This depends upon how long it takes students to get through the lunch line and/or eat their lunch. To help speed up the lunch process, encourage your child to memorize his/her Student Information Form (also known as SIF or Student ID number). If 20 students are in line to get lunch (and later for snacks) and most do not have their SIFs memorized, it can take 10-12 minutes for all students to clear the line.

SHINING SHARKS!!

Shining Sharks are students who have done an outstanding job demonstrating the Shark Code. Each month, we will select students from every grade who are Shining Sharks. Shining Sharks will celebrate by having lunch with Dr. Burke! Check out our Twitter feed @ShipChoiceAACPS to see who are the newest Shining Sharks!

PTA MEMBERSHIP COMMITTEE NEWS

The SCES PTA print directory was sent to the printer the second to last week of October. Hopefully, the printed directories and PTA membership cards have been delivered to families by now. If not, hang tight, they're coming soon!

Check out the membership toolkit app for your phone! It has a very user-friendly membership directory and calendar of events. The app has a much more user-friendly mobile interface than using the website from your mobile browser, so check it out.

Know anyone who wants to join the PTA but thinks they missed the deadline? Tell them they can still join by going to <https://www.shipleyspta.com>. The printed directory is completed but with our new website new members always have access to an up-to-date online directory.

Can you find your child in the online directory? We STILL have a few families that paid for membership but need to create a log-in for their account and verify their email address to access the full website. Until the account is verified, your family is not included in the directory. When you create a login, do a quick search for your name to find your inactive contact. You should be able to activate the contact so there is no need to recreate another contact. If you want to use a different email address, please log-in to your previously created account and update your email address using the protocol listed below. Plus, you can always invite multiple email addresses to manage your PTA account.

Please don't forget to update your contact information and privacy settings this year.

To update your contact information, including email addresses log-in to the website: Go to My Account -> My Forms & Paperwork -> Family Information (update the info) -> Next Step (bottom of page) -> Save (bottom of next page)

To update your privacy settings for the directory log-in to the website: Go to My Account -> My Forms & Paperwork -> Directory and Publish Preferences -> Select Yes from the drop-down menu (if you want any information to be in the directory) -> check the left box next to all items you want to be included in the directory (uncheck things you don't want included) -> Save (bottom of next page)

5th GRADE SERVICE PROJECT:

JDRF

Each year, SCES 5th Grade students choose a charity to volunteer and fundraise for in an effort to give back to our community. This year the students have chosen **JDRF!**

JDRF is the leading global organization funding type 1 diabetes (T1D) research. JDRF works every day to change the reality of this disease for millions of people—by funding research, advocating for government support of research and new therapies, ensuring new therapies come to market and ultimately, a cure!

Throughout the school year, the students will be involved with various fundraisers and volunteer events benefitting JDRF. Communications about these events will be sent via flyers, email, and our 5th Grade Service Project website page at:

[https://
shipleyschoicepta.membershiptoolkit.com/5thgradeservice](https://shipleyschoicepta.membershiptoolkit.com/5thgradeservice)
(Log on and go to Programs/Events.) We appreciate your support at these events as the students help to turn **Type One into Type None!**

Lastly, we recognize that T1D touches many families in our SCES community, and we welcome your ideas, expertise, testimonials, and feedback. Please don't hesitate to get in touch!

So Many Activities, So Little Time

Students who are involved in extracurricular activities—from chess club to cheerleading to chorus—tend to have higher self-esteem and stronger connections to school. But an overloaded schedule with too many activities can have the opposite effect, leaving your child—and you!—stressed. Keep these tips in mind for managing your child’s activity load.

Aim for 3 activities.

Though every child is different, psychologists often suggest involving a child in no more than three activities at a time: one social activity (like Boys’ Club or a church group); one physical activity (like gymnastics, swimming, or basketball); and one artistic activity, such as an art class or music lessons.

Limit involvement.

To avoid burnout, keep involvement in any one activity to just a day or two a week, unless your child absolutely begs for more. Check with them periodically to make sure they are still eager to attend; if not, scale back.

Broaden their horizons.

Although following your child’s interests is important, introduce your child to something new, whether it’s a new sport, a musical instrument, or a group like Boy Scouts or Girl Scouts.

The secret to keeping enthusiasm high is to start slowly and gauge your child’s interest before committing beyond the first few sessions.

Be supportive, not critical.

No matter what your child is interested in, remember that your job as a parent is to be supportive. The point of activities is to expand your child’s interests and abilities, not to transform him or her into a child prodigy or the next sports superstar.

Schedule downtime.

Children need time to ponder, explore, and play—but an overloaded schedule prevents that. Make sure that when the day is over and the homework is done, there’s still time for your child to be a kid.

Change it up.

Specializing in one activity—especially a sport—at a very young age can be harmful. Pediatricians discourage the kind of repetitive movements that come from concentrated effort in one sport. Plus, kids who dedicate themselves to a single sport early can burn out later and may regret not trying other sports.

Watch for signs of stress.

The stress of trying to keep up with too many planned activities can take a physical toll on your child. Watch for signs of stress, including stomachaches and headaches, difficulty paying attention, a drop-off in interest in activities he or she used to enjoy, and increased “clinginess” with a parent or other close adult (e.g., teacher, babysitter). If you notice any of these signs, chances are your child needs to cut back on activities and de-stress.

Decompress at home.

Make sure there’s room in your schedule for family time. Children need to have meals with their parents, hear bedtime stories, share chores, and play games. Extra-curricular activities can help children learn and grow, but remember that what your child needs first and foremost is to feel special and loved.
